Subject: Revised Form 8

Rule 1007(b)(2) requires that the statement of intention be served on the trustee and the creditors or lessors named in the statement

Therefore, Form 8 should be revised so that

the addresses of all creditors and lessors are included

it includes a certificate of service

If for some reason the committee doesn't want to include a certificate of service – I notice that Forms 20A and 20B don't have a certificate of service – the form should at least include a statement that Rule 1007(b)(2) requires that the form be served on the trustee, creditors and lessors
